OMEGA FUZE: BUSINESS COLLABORATION AS A SERVICE

Omega's goal is to elevate collaboration and remove any obstacles impeding effective communication within a company.

With this in mind, we're proud to introduce a new offering called Omega FUZE that redesigns collaboration as a service. A first for Africa, this service fuses people, ideas and technology together to create seamless collaboration across your organisation.

What you need to know:

1

**All-in-one
collaboration solution
for a monthly premium**

2

**Includes planning,
installation and maintenance
of all infrastructure**

3

**No ownership of
equipment and it won't
become outdated**

4

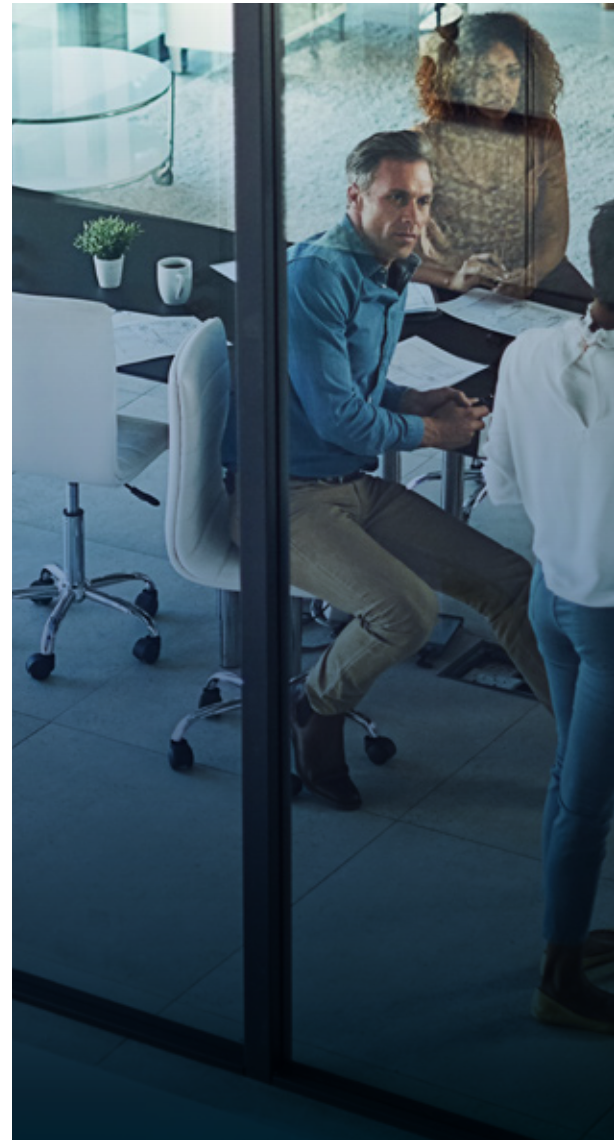

**Three-phase
methodology:
Plan, Build and Operate**

5

**Tailor-made to
suit your needs**

6

**Simple, clear-cut
and hassle free**
